

# PARKING GUIDE

Thank you for parking with St. John's United Methodist Church!  
For your convenience, here is a handy guide filled with information on how to get the most out of your parking pass.

- Please park only in the south and back lot of the church ([see map on back](#)). Do not park in the lot directly in front of the church unless you have a choral scholar/member permit.
- Please park in designated spaces only. Cars parked on sidewalks, alleyways, driving lanes, exits and entrances will be towed without warning.
- Display your permit at all times from your rearview mirror. You are fully responsible for having a permit displayed in your vehicle at all times. If you change vehicles for whatever reason, please move your permit.
- **Replacement permits are \$10.**
- Parking is not permitted before 5:00 a.m. nor after 10:00 p.m.
- Parking is not permitted on weekends and does not cover Texas Tech game day parking. Game day parking is \$10 cash paid at the front of the lot on game day.
- Please respect any barricades blocking the student parking area due to special church needs.
- Please observe the 5<sub>mph</sub> speed limit while in the church parking lot. Also, please respect church property in the parking lot such as trees, blocks and curbs.

**St. John's staff will monitor the parking lot for vehicles without permits.**

**If your vehicle does not display a permit, even if you have purchased one, you are subject to your vehicle being towed at your expense.**

**PLEASE NOTE: Your permit does not guarantee you a parking spot, only the right to park in the designated area if space is available.**
