Welcome to St. John's!

Welcome to worship at St. John's United Methodist Church.

You are welcome and celebrated in this faith community! If you are a first time attendee or a long-time member; If you are black, brown, white or anything in between; If you are gay, straight, bisexual, lesbian, or transgender; If you are a Native American or an immigrant friend; If you are male or female, young or old, abled or differently-abled, rich or poor; No matter what you believe or doubt; No matter where you are on life's journey; You are a gift of the Creator God. Together, we are family of God, because we are gathered in the name of the One who makes us one.

St. John's has been affiliated with Reconciling Ministries Network since 1998, when we adopted a statement affirming the sacred worth of all God's children, including lesbian, gay, bisexual, and transgender people. We celebrate our diversity and welcome all people to join us in our journey together toward greater understanding and mutual respect.

We welcome children and enjoy their participation in all aspects of congregational life. For caregivers of small children, a changing table is available in the front bathroom and the library is open if you need a quiet place to tend to your little one. A nursery with certified workers is available for infants through age 5 at the southeast corner of the building if you need respite. Ushers will be glad to direct you to any of these resources.

Meet Our Staff.

From the Lectionary Looking for Peace Eduardo Kobra

Born in 1975 in a poor neighborhood in São Paulo, Kobra began his career at 12 years old and, since then, has become one of the most recognized street artists in the world. With more than 5,000 murals over five continents. He currently holds the record for the largest graffiti mural in the world.

Kobra is involved in social causes, such as food collection campaigns and initiatives aimed at bringing art to poor communities, especially children who have no access to basic amenities. In 2021, he started the Kobra Institute, which aims to bring art to vulnerable people in Brazil. During the pandemic, he led an initiative together with the private sector to raise funds to build oxygen plants for COVID-19 patients
