## Welcome to St. John's!

### Welcome to worship at St. John's United Methodist Church.

You are welcome and celebrated in this faith community!  
If you are a first time attendee or a long-time member;  
If you are black, brown, white or anything in between;  
If you are gay, straight, bisexual, lesbian, or transgender;  
If you are a Native American or an immigrant friend;  
If you are male or female, young or old, abled or differently-abled, rich or poor;  
No matter what you believe or doubt;  
No matter where you are on life's journey;  
You are a gift of the Creator God. Together, we are family of God,  
because we are gathered in the name of the One who makes us one.

St. John's has been affiliated with Reconciling Ministries Network since 1998, when we adopted a statement affirming the sacred worth of all God's children, including lesbian, gay, bisexual, and transgender people. We celebrate our diversity and welcome all people to join us in our journey together toward greater understanding and mutual respect.

We welcome children and enjoy their participation in all aspects of congregational life. For caregivers of small children, a changing table is available in the front bathroom and the library is open if you need a quiet place to tend to your little one. A nursery with certified workers is available for infants through age 5 at the southeast corner of the building if you need respite. Ushers will be glad to direct you to any of these resources.

**From the Lectionary**  
*The Baptism of Christ*  
Cathédrale Saint-Jean-Baptiste (Lyon, France)

Located in front of St. John's Cathedral in Lyon, France, this statue has welcomed the faithful for centuries. Built on the site of a 6th century church, St. John's was one of the most famous cathedrals in the country until the construction of Notre Dame.

Like the true baptism of Christ, here there is a beauty in its simplicity. It is amazing to think that this is the very moment that God humbled himself; the moment when Christ's ministry began. Every thing that followed, from the death of Christ to the faith we have today, started here, between two men on the banks of the Jordan River. This picture seems to capture that moment. Just as John is baptizing Christ, a light shines down upon them – as if the voice of God is still calling down "This is my own dear Son".
